## **Cirrus Consulting Group named among PROFIT 200 Ranking of Canada's Fastest-Growing Companies.**

***Positive impact to the healthcare delivery value chain is the key reason for Cirrus landing on the 23rd annual PROFIT 200 ranking of Canada's Fastest-Growing Companies.***

Toronto, June 1, 2011 – **Cirrus Consulting Group**, Canada's pre-eminent healthcare consulting firm has joined the ranks of Canada's Fastest-Growing Companies at #81. Effectively responding to the needs of the healthcare community through niche services that include Lease Negotiation and Strategic Practice Consulting has landed Cirrus in the 23<sup>rd</sup> annual PROFIT 200 list.

Ranking Canada's Fastest-Growing Companies by five-year revenue growth, the PROFIT 200 profiles the country's most successful growth companies. Published in the Summer issue of PROFIT and online at PROFITguide.com, the PROFIT 200 is Canada's largest annual celebration of entrepreneurial achievement.

"The PROFIT 200 companies are the innovative, high-growth enterprises Canada needs in order to compete on the global stage," says Ian Portsmouth, Editor-in-Chief of PROFIT Magazine. "PROFIT is proud to celebrate their achievements and ambitions, and we encourage all businesspeople to learn more about the many ways they've come so far, so fast."

***"We are honored to be recognized amongst this dynamic group of Canadian businesses. Ranking on the PROFIT 200 validates the substantial value of our services to the healthcare community." says Jeremy Behar, President and CEO of Cirrus Consulting Group. "It also reinforces the trust our customers have in us to lead their businesses towards success."***

Part of the accomplishments at Cirrus can also be attributed to an emphasis as a growing company to attract brilliant individuals. ***"On average, our experts have 15 plus years of technical expertise." says Jeremy.*** He has been committed to making Cirrus an attractive place to work with a foundation in ethical business practices and values. ***"The dedicated team at Cirrus is passionate about the work we do and they know that the success of the healthcare professionals Cirrus works with, result in more efficient operating practices. The overall impact is increased quality healthcare for all."***

Since their inception in 1994, Cirrus' service offerings have expanded to better meet the needs of their healthcare clients. As a result, Cirrus now has offices across North America and the UK having serviced thousands of doctors worldwide.
